

YEAR THREE

End of Year Expectations

This booklet provides information for parents and carers on the end of year expectations for children in our school. The new National Curriculum outlines these expectations as being the requirement your child must meet in order to reach National Standard at the end of the academic year.

All the objectives will be taught throughout the year. Reaching the National Standard for each year group is judged when children can apply the skills for reading, writing and mathematics across the curriculum. Once secure in all aspects, teacher will challenge pupils to deepen their understanding through a range of complex activities in all subject areas.

Any extra support you can provide in helping your children to achieve these objectives is greatly valued. If you have any queries regarding the content of this booklet or would like support in knowing how best to help your child please talk to your child's class teacher.

Reading in Year Three

- Comment on the way characters relate to one another.
- Know which words are essential in a sentence to retain meaning.
- Draw inferences such as inferring characters' feelings, thoughts and motives from their actions.
- Recognise how commas are used to give more meaning.
- Recognise inverted commas.
- Recognise:
 - plurals
 - pronouns and how used
 - collective nouns
 - adverbs
- Explain the difference that the precise choice of adjectives and verbs make.

Writing in Year Three

- Use conjunctions (when, so, before, after, while, because).
- Use adverbs (e.g. then, next, soon).
- Use prepositions (e.g. before, after, during, in, because of).
- Experiment with adjectives to create impact.
- Correctly use verbs in 1st, 2nd and 3rd person.
- Use perfect form of verbs to mark relationships of time and cause.
