

BEHAVIOUR POLICY

Every institution depends on its members behaving in certain ways to achieve its purpose. A school's central purpose is concerned with children's learning. Good behaviour makes effective teaching and learning possible. Bad behaviour disrupts this process. In the context of the school, we would define good behaviour as conduct, which assists the school to fulfil its function, namely the full development of abilities and social skills of all pupils.

At Orchard Park Primary School we pursue a positive approach to discipline. We believe that our school should be a happy and secure place for all. We aim to encourage every child to behave in a responsible and self-disciplined manner and to care about the needs and the rights of others. We believe that children respond to a caring system that appreciates their needs and strengths. Discipline is fair and unobtrusive. Our Home School Agreement upholds these principles and sets out the expectations and responsibilities of the parents, the pupils and the school. The school policy is made available to parents on request, will be published in abbreviated form in the school prospectus and commented upon by the Headteacher at all inductions

This policy outlines the purpose, nature and management of good behaviour in the school.
