

**Orchard Park Community Primary School  
Sports Funding 2017-2018**

In April 2013, the Government announced new funding for Physical Education and Sport in Primary Schools which should be used to improve the quality and breadth of PE and sport provision. During 2017 - 2018, local authority primary schools will receive funding of £16,000 and an additional payment of £10 per pupil. At Orchard Park, we are keen to build on the Olympic Legacy and recognise the impact that physical activity has on the overall well-being of our children.

**Objective:** To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. the engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Investment	Objective	Cost	Proposed Outcome	Impact/Next steps
Lunch time football clubs for children in KS2	Children are able to develop their sporting skills, increase their experiences and play competitively.	£1040 (Summer & Autumn) £1060 (Spring - Lunch & Afterschool)	A large number of children are able to participate in sports clubs and further develop skills.	Many children from across KS2 attend these clubs and continue to enjoy them. Sporting skills are being developed as well as children's attitudes and ability to play well as a team.
Afterschool multi-skills clubs for children in KS1 and KS2	Pupils throughout the school are able to join a sports club run by Norwich City Football Club.	£1370 (Summer & Autumn)	A large number of children, of a range of ages, are able to participate in sports clubs and further develop skills.	KS2 club was not well attended so will be changed to a lunch time basketball club in Spring - children have requested this. KS1 continue to enjoy this club, with a high number of children attending, including those with SEND.
Swimming lessons for children in Yr 3, 4 and 5	To enable children to become confident swimmers and improve water skills. Lessons to be taught by an independent, qualified swimming teacher with life guard present.	Summer £481 Autumn £412.80 Spring £412.80	Children to be confident swimmers by the time they leave primary school, ensuring they can swim 25m unaided as a minimum. All children to develop crucial life skill of being confident in water.	Year 3 and 5 are the targeted year groups for swimming, but as many children needed further support to achieve swimming objective, Year 4 have been targeted as well.
Transport to small group competitions - Tennis - Cross Country - Football	Children to be able to participate in competitions against other schools.	£172	Selected children to be able to participate in a range of sporting tournaments competitively.	Selected children through KS2 took part in football, tennis and cross-country tournaments. We had a winning tennis team, one girl from Yr 3 came second in her age group for cross-country, and our football team won the 'Spirit of the Games' award.
NCA festivals package	Children to be able to participate in competitions against other schools. Children to be able to use high quality resources and be exposed to a variety of sports.	£700	All year groups to attend a sports festival during the year at NCA led by skilled practitioners and young sports leaders. Other local schools will also attend, which will develop networking opportunities for staff to further organise sporting events.	All year groups have been able to attend a sports festival at NCA across the year, including tag-rugby, football, hockey and multi-skills. Gymnastics is no longer included in this package.
Camb. Youth Games (Abbey Sports Festival)	Children to be able to participate in competitions against other schools, and develop skills in a range of sporting activities.	£400 £120 (Transport)	All children to experience a range of sporting activities, including cricket, ultimate Frisbee and cheerleading.	All children were able to develop sports values and experience new activities. Some of these activities are ones that we will look to develop into our curriculum.
Wilberforce Road Sports Festival	Children to be able to participate in competitions against other schools.	£135	Selected children to compete in a range of athletics activities against other schools. Children to develop 'spirit of the games' attitudes while also developing sporting skills.	A selected team from Years 4/5/6 attended and performed well. Athletics activities have been able to be developed in school and intra school competitions will happen next summer.
Transport to Yr 5 event at Cambridge United	Children to be able to attend a sporting event at Cambridge Utd Football Stadium with members of the first football team and local MP. Children to be motivated and inspired by sport and professional sportsmen.	£150	Children in Yr 5 to experience a sporting stadium and meet professional football players. Children to be inspired and motivated to develop their sporting skills. Children to develop knowledge of aspects of science through sport.	Yr 5 were motivated and thoroughly enjoyed their time at Camb. Utd. FC. The links with Camb. Utd. will continue and we will arrange for them to work with Yr 5 in 'Active Science' again next year.
Supply teacher to cover PE Co-Ordinator	PE co-ordinator to have dedicated time to auditing PE resources, ordering new resources and planning activities for every year group throughout the year.	£180	Appropriate resources to be available to all year groups for all activities throughout the year. Every year group to experience a range of activities including inter-sport competitions throughout the year.	All year groups to attend a sports festival through the year. Equipment now available for a range of sports to be taught in each year group. Enough equipment for a whole class to use effectively.

**Orchard Park Community Primary School  
Sports Funding 2017-2018**

Circus skills events	To develop the skills of children in a range of sporting activities. To teach children the skills to enable them to use lunch time equipment appropriately.	£300	Children of all ages to develop co-ordination skills and confidence in different sporting activities. Children to engage in circus activities at lunch time and support children in other year groups.	All children attended a circus-skills workshop. A rota has been developed for lunch time so that children will be able to engage in activities every week. Relevant equipment was purchased to enhance circus skills play.
Netherall Add-On Activities	Children to be able to participate in competitions against other schools. Staff to develop their understanding of delivering a high-level sports curriculum.	£850	Children to compete in a range of activities against other schools. Children to develop 'spirit of the games' attitudes while also developing sporting skills. Staff members to be up-skilled in a range of PE areas.	Children were able to participate in activities competitively, including a 7-a-side football match. Staff have developed confidence, knowledge and understanding in teaching PE and have been able to share good practice with other staff members.
Equipment order for school PE resources	To ensure that suitable resources are available for a whole class to use. Ensuring the resources are available to teach children sports and skills in preparation for intra and inter school competitions. Replacing well used resources.	£897	Resources to be available that are suitable for every year group and the sports that they are learning. Hockey set to be purchased for QuickSticks hockey to enable children to learn in preparation for an inter-school competition.	Children are able to use specialised equipment independently and develop their skills in a range of sporting areas.
Equipment order for lunch and play time activities	To encourage all children to participate in a range of physical activities.	£1414.66	Increased opportunities for children to develop skills and enjoyment through a range of sporting activities.	A rota has been developed with lunch staff to enable each day to have a focus activity. Children are engaging in the activities on offer at lunch times and they are being led appropriately by staff.
Balance Bikes and Helmets x15	Children in Early Years to develop balance and co-ordination skills as well as confidence being in control of a bike. School staff to be able to lead sessions on balance bikes without outside agencies providing staff and equipment.	£1825	School staff to be able to lead sessions on balance bikes without outside agencies providing staff and equipment. Children to develop their balance and co-ordination and ability to ride a bike. Look towards starting an after-school club for Early Years to engage in balance bike sessions.	Early Years will begin to use these bikes in small group sessions. PE co-ordinator will work with Early Years to team to look at activities and ideas.  Storage options to be considered.
Specialist dance teaching for every class linked to their topic	All teachers to experience CPD in dance led by specialist teachers, and planning to be shared to ensure teaching can carry be led by school staff in future. Cross-curricular dance opportunities to be exploited - sessions linked to current topics.	£2800	Teachers to develop their knowledge and understanding of teaching effective, cross-curricular dance sessions. Children to build up to a performance at the end of their sessions.	Year 6 have completed a successful full day of WW2 dance. Year 1 and 5 are currently having weekly sessions. Teachers have found the sessions enlightening and engaging. Planning will be shared to enable teachers to continue dance provision without outside agencies.
Teacher to attend PE Course for Inexperienced Teachers	Inexperienced teachers to be up-skilled. Teachers on training to share developments and ideas with other staff in meetings.	£110	Inexperienced teachers will improve knowledge and understanding of how to deliver effective PE sessions, from using equipment safely, planning for progression and ability to assess. Key ideas and developments will be shared with all staff members.	Teacher is yet to go on the training.

**Funding Carried Forward from 2016/2017:**

£2,991

**Remaining Funding:**

£2,294.54

Next funding will be in April 2018 for the period to August 2018 £7,312

**Proposed Spending:**

Outside Gym Equipment

CSSP Membership
