

BIRTHDAY LUNCHES

The School Cook can prepare a special Birthday table for your child.

When it is your child's birthday, they will be able to ask 6 friends **from their class** to sit with them at this special table.

The children will be able to share a birthday lunch and then enjoy a decorated birthday sponge for dessert.

Each child taking part must have a school lunch.

The cost per child is £2.25 (usual dinner money).

Key Stage 1 children need not pay, as they are entitled to a free school dinner.

This form is to be returned two weeks before the birthday lunch is required. **Please check the date with the school office before distributing invitations.**

Please ensure your child's SIMS Pay account is credited with funds for all the meals - thank you
